

Message from the Hopi -- People of Peace

*"We are the ones we've been waiting for..."*

We have been telling the people that this is the Eleventh Hour.

Now you must go back and tell the people that **this is the Hour** and there are things to be considered.

Where are you living?  
What are you doing?  
What are your relationships?  
Are you in a good relation?  
Where is your water?  
Have you prepared your family?  
Can you live from the Earth?

Know your garden.  
It is time to speak your truth  
Create your community.  
Be good to each other.  
And do not look outside yourself for the leader.  
This could be a good time!

There is a river flowing now very fast. It is so great and swift that there are those who will be afraid. They will try to hold onto the shore. They will feel they are being torn apart and they will suffer greatly. Know the river has its destination.

The elders say we must let go of the shore, and push off into the river, keep our eyes open, and our head above the water. See who is in there with you and Celebrate.

At this time in history, take nothing personally -least of all ourselves. For the moment that we do, our spiritual growth and journey comes to a halt. The time of the lone wolf is over. Gather yourselves!

Banish the word "struggle" from your attitude and your vocabulary. All that you do now must be done in a sacred manner and in celebration.

We are the ones we've been waiting for.
